THE CENTER FOR AMERICAN ART

SALMAGUNDI

Welcomes you to its 10th Annual Art Exhibition for Non-Members. An event that again testifies to the fact that at Salmagundi we uphold high standards of artistic accomplishment. It is a place where creative artists can display their artistic talents in what has become known as The Center for American Art. Salmagundi was founded 116 years ago, making it the oldest professional art organization in America. There are many activities at the Club during the year and art classes are conducted for both beginners and advanced students on a non-profit basis. Watch for our special public service events throughout the year and enjoy the many art related activities offered. Our interesting Victorian building has been designated an historic landmark by the New York City government and is listed in the National Register. Visitors are welcome; membership by artists and lay people interested in the arts is encouraged.
